What's new in Fifa 22:

- **FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and**

-
- on-ball actions is used to power FIFA 22 gameplay.
- **FIFA 22 features several innovations to the game-day control system, allowing players to tweak their tactics on the fly. This includes an all-new Pro Be A Player feature with interactivity between the player and the artificial intelligence on the pitch. The feature was inspired by Real Madrid's 3-5-2 formation, which proved to be a revolutionary twist against Barcelona in the UEFA Champions League final.**
 - **Player AI has been upgraded to use more intelligent behaviors and significantly more detailed data, meaning that players will now act more realistically within the game, be it as an attacker, defender or midfielders.**
 - **The game now offers players the chance to influence their team's tactics by taking on overt technical roles with players, this allows the game to organically create an identity for the team. Going into the match you'll be able to place a "Natural" captain onto your team who will be given specific instructions as to what he should do on the field of play.**
 - **FIFA 22 brings to the pitch the most recognizable team on the planet. Journey with the Real Madrid players into the magical realm of FIFA where they will compete to accomplish spectacular goals, score memorable goals and defeat the world's best teams.**
 - **The community is crucial to FIFA, and a million hours of fans contributed to FIFA being an entirely community-driven franchise. The company, together with the community, curated the online rankings of players, clubs, and nations in FIFA, the first time anywhere in gaming. EA will continue to iterate on all things FIFA every year and continue to put fans first.**
 - **In Career Mode, live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey**
