This week, the FIFA family on Xbox One will play host to the second edition of a new mode called Create a Legend. In Create a Legend, you'll be able to use Move to Represent, a new feature introduced with FIFA 20 that lets you create a custom avatar with a custom name, as well as customize one aspect of your avatar. To create your avatar, follow the steps below: Step 1 In game, scroll to the bottom of the screen. Type EA SPORTS followed by Create a Legend. Step 2 In the Create a Legend menu, you'll find the Create a Legend Guide which will help you create a custom experience. Step 3 Select the Create a Legend Guide and press the Start button. Step 4 After selecting Start, you'll be presented with a number of actions to select, all of which will allow you to change your avatar name. Step 5 Once you've chosen your name, you'll be presented with a list of colours. Choose what colour you'd like your pants to be. Step 6 Next, you'll select your avatar's hair, then choose a style for the headwear you want. Step 7 At this stage, you can choose a face for your avatar. Step 8 At this stage, you'll want to choose a body type for your avatar. This will shape the body of your avatar. Step 9 Next, select your skin tone. It's important to select the right tone, as this will define your avatar. Step 10 After choosing your skin tone, the next step is to select your accessories. Here, you can select the accessories that you would like on your avatar. Step 11 You can now select your shoes. Step 12 On the final screen, you'll be able to change your avatar's shirt. Step 13 You can now save your avatar. FIFA 22 provides in-depth features for new and returning players. Team Management covers all the basics of the game - how you're selected, how you're in the squad, how you start a match and so

A Better Game - FIFA 22 continues the series' award-winning engine, FIFA 11, offering the most immersive and realistic football experience ever. Enhanced visuals make every touch, pass and tackle come to life. The gameplay engine offers improved AI, more passes and more shots. And the gameplay improvements also extend to more realistic gameplay animations. New Faces - The game sees eight more players making their debuts, with a brand new squad of stars and no-names but thatâ€™s just the start for the full-featured FIFA 22.Â Improved Passes - Improved in-game passing and ball physics make crossing, passing and running more realistic. FIFA 22 also includes the most passes ever in a FIFA game. Improved Shooting and Controls - Improved control over the ball and passing accuracy make every shot in FIFA 22 more realistic. Improvements to shooting and the ball physics mean that every shot in the game now has the right feel, and can be placed with greater precision.

#### **What's new:**

**FIFA (short for Football Association International Federation) is a football video game that has been produced by EA Canada since 1991 and now has millions of global fans. Its popularity has led it to be the bestselling sports video game ever, selling more than 42 million copies of FIFA World Cup Soccer, FIFA 2002, FIFA 2003, FIFA 2004, FIFA 2005, FIFA 06, FIFA 07, FIFA 08, FIFA 09, FIFA 10, FIFA 11, FIFA 12 and FIFA 20, in addition to the FIFA World Cup games, FIFA Street and FIFA Street 2, FIFA 11 for the PSP, and FIFA 12 for the Wii. FIFA is the most popular football (or soccer for our friends in the UK and Aussie) game, in almost every country. FIFA is the world's biggest football videogame. It was the biggest football videogame ever. It was the first football videogame. It's only the biggest football videogame. FIFA World Cup Football Video Game The FUT World Cup games, released in November 2002, were the first FIFA World Cup games to feature a new gameplay feature called Player Impact. These games include FIFA World Cup™ 2002, FIFA World Cup™ 2002 Gold Edition, FIFA World Cup™ 2002 Full Kit, FIFA World Cup™ 2002 Olympic Edition, and FIFA World Cup™ 2002 Ultimate Edition. A football game for Xbox 360, Playstation 2, and PC with the version on Xbox 360 being the best, recently released FIFA 2011, and other versions FIFA 20, and FIFA 19 FIFA The Official Videogame Guide FIFA is a name that will live on for many more years. Every year EA Canada releases a new game, that they call FIFA. There have been numerous changes to the formula over the past twenty years, but one thing stays the same: it is a football game. Since it is the most popular sport in the world, it follows that there is a video game out there that can stand up to it. In fact, there are dozens of games released every year that try and cash in on football. In the last twenty years, the genre has transformed from a two dimensional top-down-shooting guy on a field, to 3D realistic players on a virtual pitch. EA Canada has been at the forefront of the ever-changing industry for almost as long as the industry itself has existed. The arcade-style versions of FIFA have evolved over the years, and**
