Writing in the Lancet the scientists said the patient had “transmitted the infection to others”. But it was not until 10th March that the World Health Organisation officially declared the first case of coronavirus “pandemic” - Covid-19 (see this report on the first case). Today, epidemiologists in the UK and Ireland confirmed that the first case of Covid-19 in the United Kingdom was in a care home in Birmingham - a man in his 80s who had travelled to China. He died on Sunday, 3rd March. But the first death in the UK from Covid-19, and death of someone who has c6a93da74d
